MARCH—Hyland Highway closed 17th—20th

The Hyland Highway will be closed to public traffic between Traralgon Creek Road and Flynns Creek Road from the evening of Friday 17th March to early morning Monday 20th March.

During this time, Loy Yang’s travelling stacker will cross the highway as part of it’s relocation to the base of the Loy Yang Mine.

**Breakfast Program**

We have been allocated our supplies for the Breakfast program again this term. My plan is to begin the program next week however for the program to run I need a couple of parents to volunteer once a week to prepare the food for the children, from 8.30am until about 9am. Please let me know if you can help or would like more information about the program.

Nominations for this year’s School Council are open. There are 3 positions for two years. If you are interested please see Christine.

Parents Club has reconvened for the new school year. We would like to take this opportunity to welcome the new faces to our school and hope that everyone is settling into Term 1 well.

Our next meeting which will be our AGM will be held in the staff room on Tuesday **7th March at 9.15am**. It would be great to see some new parents come along.

This year the Parents Club will be raising money to purchase a new PA system that can be used at school concerts and get togethers. We are also seeking advice from the wider school community as to what other projects you would like to see Parents Club working towards.

We will be holding an Easter raffle this term and raffle tickets will be sent home in the coming weeks. Over the next few weeks we will be seeking donations of prizes for the Easter Raffle and these can be left at the school.

Thanks, G&D PS Parents Club
